Three Valleys Festival

Dronfield-Holmesfield-Totley-Bradway

The programme

Saturday 17th July 2010

welcome

Hello and welcome to the Three Valleys Festival.

My name is Andrew Cullen and I'm the Chairman of the Sheffield & District branch of the Campaign for Real Ale.

Towards the end of last year I came up with the idea for this festival as a way of helping the pubs in our area promote themselves and develop the interest in, and availability of, real ale in S17 and S18. It is also of course nice to see such an event in the area I live!

Early this year, I pitched the idea to some of the pubs and they seemed to think it was a good idea. Nick Wheat, through the Holmesfield Village Society, has put the idea to the pubs in Holmesfield too, and together we've co-ordinated all the participating pubs and organised the bus service. The pubs licences are responsible for organising beer, food and entertainment.

Thanks must also go to the organiser of Topley Music Festival, who has arranged the bands playing in the Fleur de Lys.

I hope you think the work the Campaign for Real Ale does to promote real ale and community pubs is worthwhile, we are setting up a sub-branch for Dronfield and surrounding villages very soon, please let us know if you would be interested in getting involved.

Anyway, the festival is here and it should be a fantastic day, the pubs are planning on putting on a good show with a whole load of beers featured that you won't have seen on the local bars, food, entertainment and more.

All the information you need to make the most of your day at Three Valleys festival should be on the following pages!

bus service

The pubs taking part in the festival have all contributed towards the cost of laying on a special bus service calling at all the participating pubs. The bus will start from Dronfield railway station to connect out of trains and will do a figure of 8 circuit of all the pubs, finishing back at the railway station.

Travel on the bus is free of charge and no booking is required. We will make every attempt to deliver the service as described but accept no responsibility for consequences of overcrowding, denied boarding, breakdowns, delays etc. The buses will only stop at the timing points shown.
