### FEEDER SERVICES

Once again, this year, on selected routes, the first and last buses of the day will pick up passengers on their way to/from Three Valleys Land. Areas benefiting from this additional free bus service this year are Gleadless, Ridgeway, Eckington, Marsh Lane and Bradway. Please see our website for details.

The festival bus service is available for travel free of charge for customers visiting the festival and operated by Linburg with funding from the participating venues. While we will do our best to provide the service according to the timetable above, we make no guarantees of operation or seat availability. Admittance to the vehicles is at the drivers discretion and please note glassware, food, drink or smoking are not permitted on board. We ask all passengers to show suitable respect towards the buses, drivers and fellow passengers.
